

## Shir Tikvah שיר תקווה

Dear Shir Tikvah,

As we prepare to gather together for Shabbat services (in person and by streaming media), we have chosen practices that align with Shir Tikvah's values of *pikuach nefesh* (protecting life), *kavod habriyut* (protecting our health), and *tzorchei tzibur* (the needs of the community). We discussed these principles, and our resulting guidelines for gathering, in our letter to you [here](#). It is with these principles in mind that we offer all Shabbat services via livestream and in-person worship beginning on 8/6/21.

**If you would like to attend a Shabbat service in-person at Shir Tikvah during the month of August, we ask that you complete [this linked form](#) no later than August 2.**

### **The in-person Shabbat services being offered in August are:**

- 8/6: Friday Night Kabbalat Shabbat (6:30 PM)
- 8/7: Saturday Morning Tot-Shabbat (9:30 AM)
- 8/13: Friday Night Kabbalat Shabbat (6:30 PM)
- 8/20: Friday Night Kabbalat Shabbat (6:30 PM)
- 8/27: Friday Night Kabbalat Shabbat (6:30 PM)

Please keep in mind that all Shabbat services will be live streamed so that anyone who wants to partake virtually will be able to do so. If you are planning on live-streaming, there will be no need to pre-register.

Everyone attending must agree to our [Brit L'Kinus - Shir Tikvah Community Covenant for In-Person Gathering](#), which requires masks, and vaccinations for all who are eligible. You will be asked to affirm your covenantal commitment on the form. You can find more information on our gathering values, policy, and guidelines [here](#).

You will be asked to rank your top three service preferences and share whether you will be saying kaddish or honoring a simcha on this form. Shir Tikvah will provide service invitations by the first week in August. This form does not guarantee spots at a specific event, but rather shares preferences to help Shir Tikvah appropriately, safely plan.

Thank you for your support and understanding as we work our hardest to accommodate in-person requests to the best of our abilities, while holding to our principles and guidelines. We are proud to also be welcoming everyone and anyone to all Shir Tikvah Shabbat services via livestream.
